AXIR
Design Column Speaker

▶ Features

- **Slim line ALU design**
- **Adjustable polar pattern**
- **Clear and crisp sound reproduction**
- **Mounting bracket included**
- **Available in black or white**
- **Wide distribution field (170°)**
- **12 High Quality 2" drivers**
- **Aluminium front finish**

▶ Applications

- **Indoor applications**
- **Auditoria**
- **Places of worship**
- **Meetings and board rooms**
- **Wide frequency range applications**

AUDAC introduces the column speaker "AXIR", an all-round column speaker with an extraordinary sound and a surprisingly high power.

The AXIR is designed to be used in all applications where audibility of music and speech is very important, like auditoria, churches, meeting and board rooms, etc.

It features a double 6 x 2" speaker section. Both speaker sections have an individual adjustable power tap for 20 W, 10 W, 5 W and 2,5 W. These can be selected with a recessed adjuster screw behind the speakers cover.

This allows us to set the speaker's power between 40 W and 5 W in 100V applications, and to change the speaker's polar pattern.

By adjusting the upper and lower power taps individual, the sound carriage length can be adapted to each specific situation.

There's also an 6 Ohm option, which is controllable by an internal switch inside the speaker.

The AXIR has a surprisingly powerful output but with a state-of-the art audio quality.

The AXIR features an aluminum housing, making it a light weight column speaker of approximately 4 Kg.

For mounting the AUDAC AXIR, a specially designed wall bracket is included, which makes it possible to focus the speaker in any direction, to obtain the best possible audibility.

Available in white (AXIR/W) and black (AXIR/B).

▶ Specifications

SYSTEM SPECIFICATIONS		
Speaker Type		Broadband column
Max Power		240 W
RMS Power		120 W
Impedance		6 Ohm
Line Transformer Taps	1	2 x 500 Ohm / 2 x 20 W
	2	2 x 1000 Ohm / 2 x 10 W
	3	2 x 2000 Ohm / 2 x 5 W
	4	2 x 4000 Ohm / 2 x 2,5 W
Sensitivity (1W/1m)		92 dB
Sound Pressure (Max W/1m)		113 dB
Frequency Response (± 3 dB)		100 Hz - 17 kHz
Frequency Response (-10 dB)		80 Hz - 19 kHz
Horizontal Dispersion		170°
Vertical Dispersion		20° off axis
PRODUCT FEATURES		
Dimensions (Width x Height x Depth)		70 x 1005 x 105 mm
Weight Net		4,25 Kg
Connection		
Drivers		12 x 2"
Construction		Aluminium
Grill Type		Aluminium grill
Mounting & Handling		Mounting wall bracket
Available Colours		Black (RAL9005)	AXIR/B
		White (RAL9010)	AXIR/W
SHIPPING & ORDERING		
Packaging		Carton box
Shipping Weight & Volume		5,8 Kg - 0,007 Cbm
Accessory Included		Wall bracket
